ANDREA MARTÍNEZ

Adolfo Alsina 1969 • 11 7020 5783 • andremar93@gmail.com

Developer

Professional Profile

Developer with passion for technologies, always learning and searching new things. Happy to work with others and learn with them. My challenge is to understand the most about development and software to then apply that knowledge as a good future system engineer.

Skills

- Team Work
- Communication
- English (Advanced)

- Javascript
- CSS/Less; HTML5
